Catastrophic Equipment Protection Guarantee

This guarantee provides for the repair and/or replacement of equipment protected by the ESP01 and ESP02 systems. Connected devices will be repaired or replaced at the manufacturer's discretion after examination by the manufacturer. Replacement coverage includes \$35.00 per hour to be applied for technician labor cost associated with the repair/replacement.

1. Applies to all hardware systems that are powered by the above listed devices. (Not to exceed the rated capacity of the device)
2. Claims are submitted directly to the manufacturer using the procedure explained in instructions and forms found in each unit. (This is not the actual warranty, please refer to the warranty information shipped with each unit)
