

**PERSONALIZE MAILINGS
WITH A PROFESSIONAL LOOK**

The HJ500 is our most popular desktop address and bar code printer due to its unparalleled durability, reliability and low price. It's an ideal printer for medium to high volume mailers requiring high print quality and print flexibility, along with high speed and media handling capabilities. The ability to print message lines in color can eliminate the need for pre-printed envelopes; and printing delivery point bar codes can substantially reduce your postage costs.

The HJ500 provides many valuable benefits:

- Print up to 22,000 No. 10 envelopes per hour
- Save time and money on postage and printing
- Reduce undeliverable mail pieces
- Increase response rates
- Get your mail delivered faster
- HP Inkjet Technology
