Request for TMS Statement of Account Activity

Your TMS statement of account activity will include all transactions in your TMS account for a given time period. The statements are based on TMS account number, not serial number. Some types of transactions included are meter resets, check or wire deposits, ACH activity, credits, debits and total resets by meter.

Please indicate how often you'd like to receive TMS account statements. ***Select only one.***

___ Quarterly (sent during the first business week of the quarter)

___ Monthly (sent during the first business week of the month)

___Weekly (sent on Mondays)

___ Daily (Monday – Friday)

**Note: Statements will only be sent when there is activity in the account for the given time period.*

Please indicate how you would like to receive your statement. ***Select only one.***
